

James Jamieson Construction has worked with the North East of Scotland's foremost housing developers. Providing high quality service to ensure that superior housing is built in a timely manner.

The company has been recognised as contributors to award winning developments and is known for their excellent Health and Safety record.

"James Jamieson Construction are carrying out work at our prestigious Cults Park development in Cults, Aberdeen. At CALA Homes we are known for our exacting standards and attention to detail – the work carried out by James Jamieson is very much in line with this."

Steve Jarvie, CALA Homes (North) Ltd
